

Drawing Competition

To help celebrate National Children's Gardening Week 2022, we are holding a drawing competition!

Head outside and draw your favourite flower, plant, insect, bird, animal or anything else you can find in the garden for your chance to win a prize!

Don't forget to add your name!

Hand your drawing in to us at Pacific before the end of Saturday 4th June and our winners will be announced on Facebook on Monday 6th June. Please leave your email address so that we can contact you if you have come in the Top 3!
